

Adventure trail

In the Port Adelaide region we've got a breath-taking coastline and the beautiful Port River. Go for a walk with your mum, dad, brother, sister, friends, grandparents or teacher and see how many of the things on this trail you can spot, it doesn't have to be in order. Free space is for anything else you find!

Visit www.bit.ly/NatureBingoPEC to learn more about our local environment and the PEC Nature Bingo competition.
