JUNE

PEC Community Survey.
"What a valuable resource and builder of community connections you've become in such a short time!"

1 JULY

Operating independently from KESAB environmental solutions.

5 AUGUST

PEC reopens to the community following COVID 19 closure.

LOOKING
FORWARD

Extending our impact with Green Adelaide funding and City of Port Adelaide Enfield Community Partnership Project

Thank you to Green Adelaide, KESAB environmental solutions, City of Port Adelaide Enfield, our volunteers and our community.

Port Environment Centre is funded by Green Adelaide through the NRM levy.

We operate as part of a broader network of Environmental Centres across Adelaide and the Mount Lofty Ranges.

27 North Parade, Port Adelaide
